Swim Test Policy

The Athens-McMinn Family YMCA is committed keeping our community safe in and around water. The swim test, a proven drowning prevention technique, is given to children 12 years or younger to determine swimming ability.

- **Green Band:** Swims 25 yards with face in the water without touching the bottom or walls/lanes of the pool. Jumps into deep water independently to tread water for a minimum of 30 seconds, and returns to the nearest side of the pool with no signs of exhaustion.
- **Red Bands:** Those who can not successfully complete the above components and those who refuse or are unable to take the swim test.

Rules for Minors

- All children 12 years and younger must take the swim test, including after school groups, camps, birthday parties and other pool rentals.
- Children under the age of 7 must be accompanied by an adult in the water within arms reach. If they are able to pass a swim test and adult must be present in the pool area.
