

### ***No Kid Hungry Youth Ambassadors***

**Posting: Athens-McMinn Family YMCA**

**Location: 205 Knoxville Ave Athens, TN 37303**

No child should grow up hungry in America. By connecting kids in need with nutritious food, the No Kid Hungry campaign surrounds children with healthy food where they live, learn and play.

We're ending childhood hunger by connecting kids to effective nutrition programs like school breakfast and summer meals. This work is accomplished through the No Kid Hungry network, made up of private citizens, public officials, nonprofits, business leaders and others providing innovative hunger solutions in their communities. These public-private partnerships work together to identify and eliminate the barriers that may prevent children from accessing existing food and nutrition resources.

Share Our Strength's No Kid Hungry Campaign has created a program to involve college-aged Youth Ambassadors in the fight against childhood hunger by working with one of our community partners.

For the summer program, the Athens-McMinn Family YMCA will host one (1) Youth Ambassador to work on initiatives related to the alleviation of childhood hunger.
